MEMORANDUM TO MIKE EDMONSON'S PERSONNEL FILE

Based on the November 22, 1988 decision of Civil Service Referee Bernice Pellegrin, this will serve as notice that the 10-day suspension, effective beginning of business December 21, 1987 through close of business January 1, 1988, Papal Visit Detail, was upheld for the following:

1. Working thirteen hours on Saturday, September 12, 1987, for N.B.C. as an off-duty detail without obtaining Major Norris' approval to work the N.B.C. off-duty detail.
2. Failing to submit a DPSSP-4106 and a copy of the check which you received in payment for the off-duty detail to the Office of Finance.

The Referee concluded all other charges made by the department did not support disciplinary action.
